

Croud’s

TOP 20 PLACES to work & TRAVEL AS A DIGITAL NOMAD

We have applied different metrics to rank each city according to the factors we thought would most impact digital nomads, such as our Croudies, including:

Co-working space

Average internet speed

Tourist Visa required

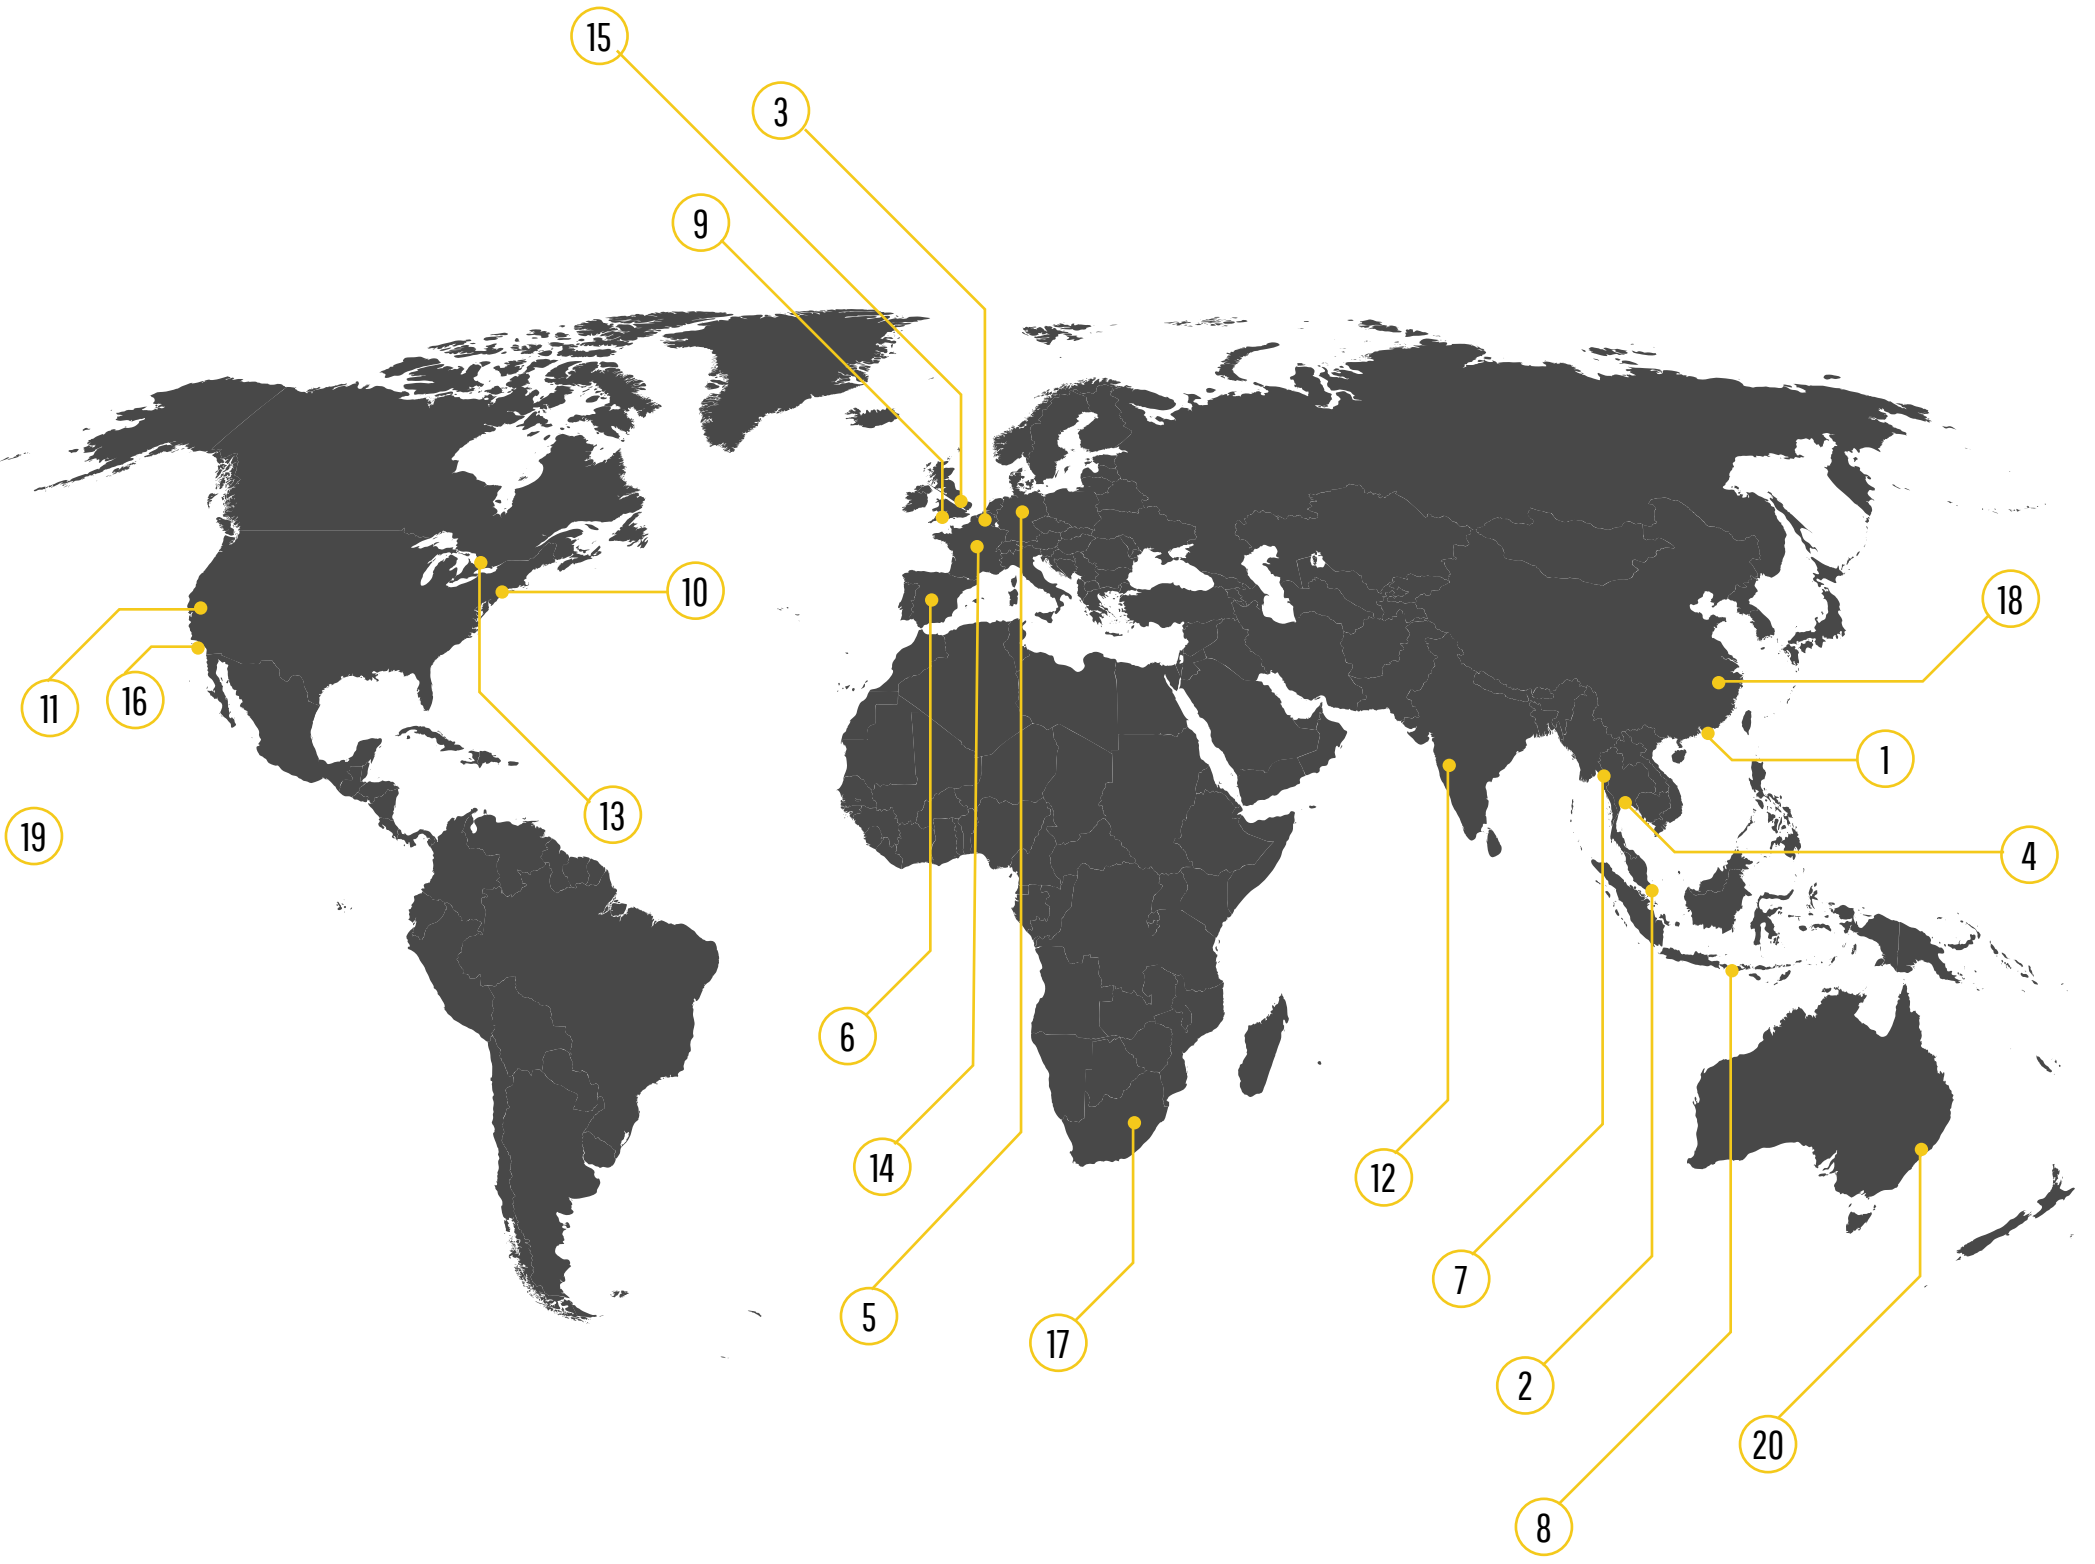

Crime rates

Average cost of hostel

Number of bars & clubs per sq. mile

The Network team have combined all of these metrics to give the city an overall Croudie Network rating. If you are full-time employee of Croud, then please ignore this...! :)
